

Draw bracelets with the number of beads shown. Write the missing number. Hint: The missing number is 1 less!

I had 8 beads. I know that 1 less is 7. I can call this my 7 bracelet! The next one will be my 6 bracelet. Each bracelet has 1 less.

8

7

6

I can count down from 10 to 0. When I start at 10, I know that the next number will be 1 less.

10, 9, 8, 7, 6, 5, 4, 3, 2, 1, 0
